CITY OF WALNUT CREEK

THE SEAL OF CONTRA COSTA COUNTY CALIFORNIA

OPEN DATA DAY 2018

VICTORY WORKSPACE
Inspiring Success
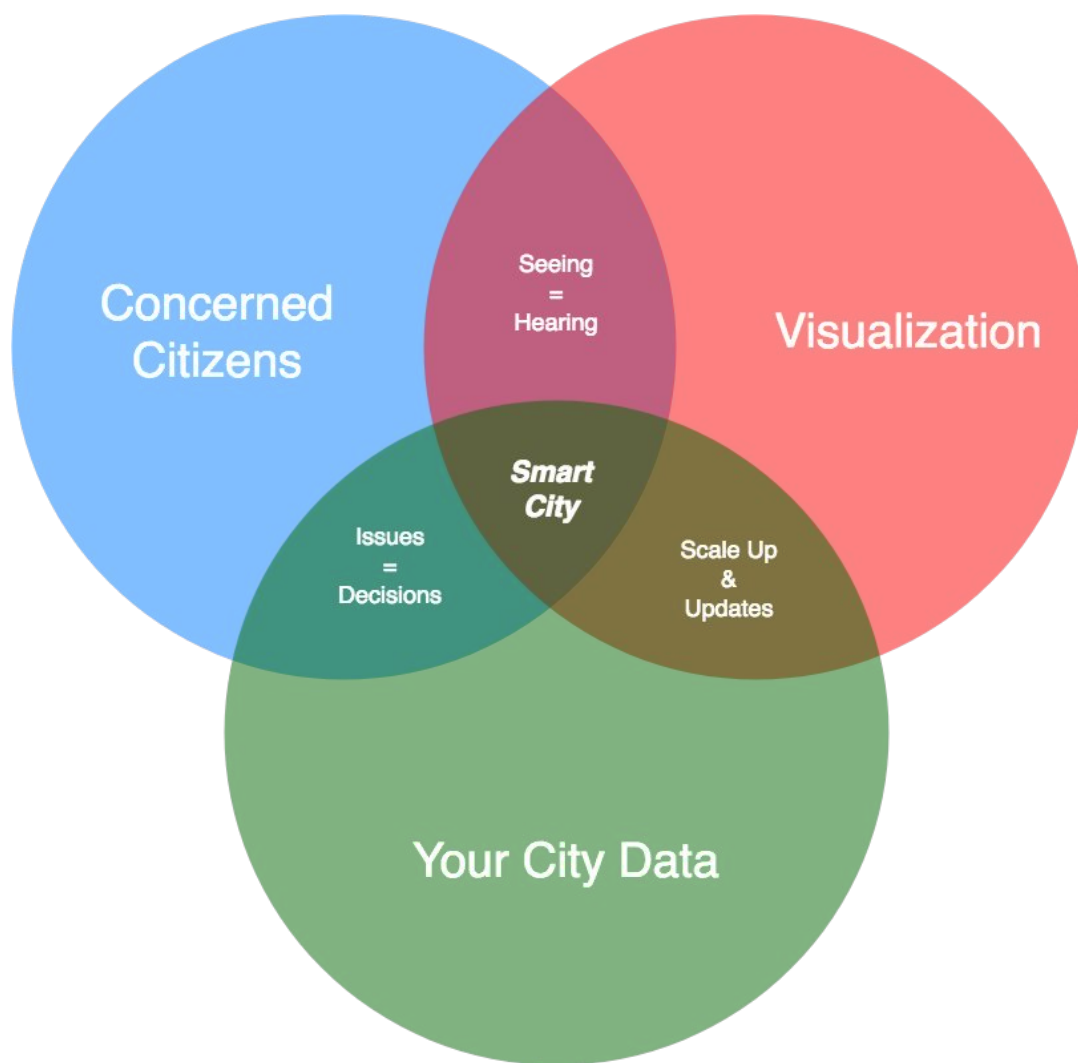

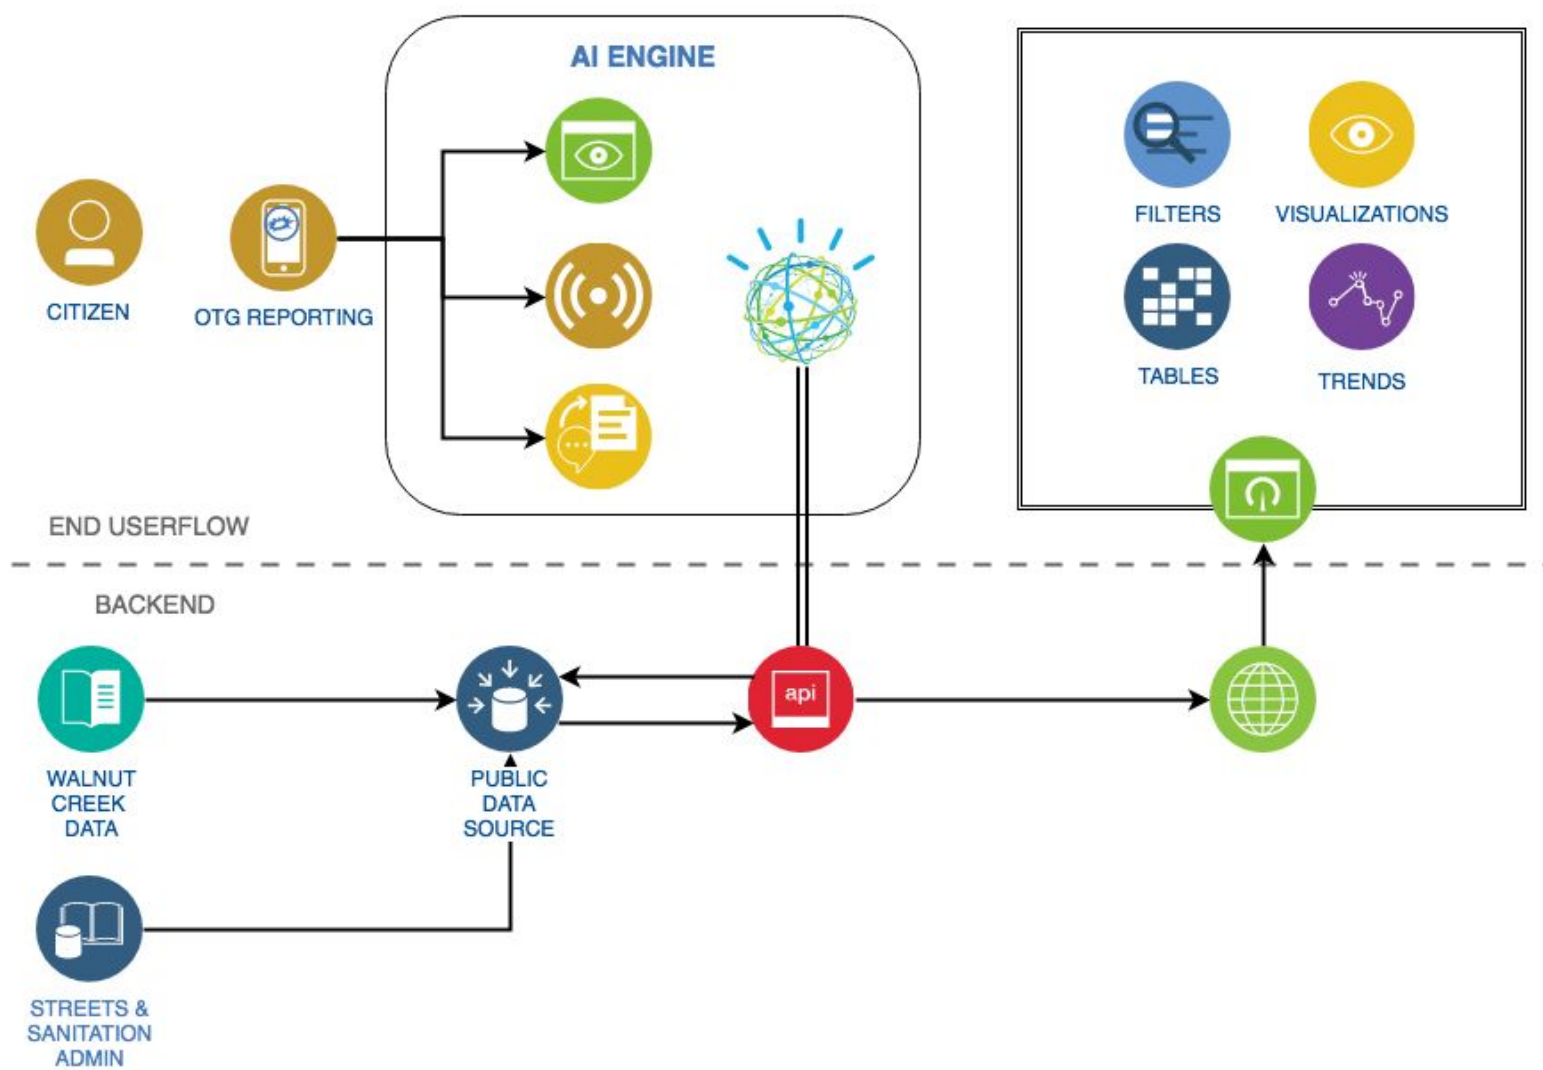

Your City, Your Data

- **Citizens** want to help, want to know that they can help, and they want to know if they're being heard.

- **Cities** want to fix the issues and address citizens' concerns. And they want it to be manageable with their resources (and $ budget).

- **Data**, spreadsheets and unstructured, isn't…sexy or welcoming or intuitive.
